The DMV is online again. After your teen's initial trip to the DMV for their Learner's Permit (for either the School Permit or POP Permit), upon successful completion of the Dr. Ed. Class, you/they will be able to apply for their SCP or POP Permit (when they become eligible) online at [www.clickdmv.ne.gov](http://www.clickdmv.ne.gov).

Eligibility requirements for students to participate:

- Must have a permit (learner's, school learner's, school or POP)
- Exception – If a student were to turn 14 and “qualified” for a school learner's permit but wasn't old enough to attain it, they could drive for an instructor. They would have to be 14 by August 1 of that year to be eligible.

A permit is not necessary to participate in Driver Education Classroom, but is required to drive while in the class.
